

ENGINE PARTS

Cost effective, quality engine parts with a comprehensive warranty
Professional service, competitive prices and off the shelf availability

A full range of engine parts

We supply engine parts to suit most popular engines including:

- Caterpillar
- Cummins
- Detroit Diesel
- International
- John Deere
- Komatsu
- Japanese and European

Comprehensive range

Our comprehensive range of spare parts includes rebuild kits, crankshafts, camshafts, compressors, cylinder head components, changeover units, water pump kits and electronic injectors.

Availability

We consistently have the parts on our shelf when you need them. Our Australia-wide network of branches and dealers supplies you wherever you are. Our worldwide supplier network will expedite any hard to get items by emergency airfreight.

Professional service

For many years we have worked closely with our clients in the mining, construction and transport industries. We offer professional service based on product knowledge, experience and an understanding of our customers' needs.

Cost effective pricing means quality

We understand that you want to operate your machinery cost effectively but without sacrificing quality.

Our extensive range of engine parts is subject to the strictest manufacturing controls. Every part is covered by our comprehensive parts warranty.

QUALITY EQUIPMENT PARTS

Reduce your operating costs
from Australia's largest supplier of aftermarket parts

Ground Engaging Tools

A comprehensive range of edges & end bits, teeth and adaptors, lip shrouds, ripper boots and tynes to suit all makes and models of loaders, excavators, dozers and general earthmoving, mining and construction machines.

Crusher Wear Parts

A wide range of quality crusher wear parts to suit most machines. Castings are manufactured in a variety of materials including manganese steel, alloy steel and ductile iron.

Wearplate

Wear resistant products including wear plate, Tungsten Longlife Coating and white iron block & bar. Our CC1500 wearplate will outlast quenched and tempered steels by up to 12 times and white irons by up to 4 times.

Mining Products

Products for the mining industry include wearplate, apron feeder pans, Cutting Edges' patented ground engaging tools locking system incorporating Dynalock, R-Lock and Dynaclamp, and track shoes for a variety of machines.

Engine Parts

Quality engine parts for most brands of machinery and trucks, including rebuild kits, crankshafts, camshafts, compressors, and water pump kits. Professional service, competitive prices and off the shelf availability.

Machine Parts

Quality replacement parts to suit most machines including pins & bushes, hydraulic seals & pumps, brake components, oil & water pumps, fuel pumps and power train components. Comprehensive warranty on all parts.
